Topeka—Plate glass window fronts of four of the finest Kansas avenue saloons and of two drug stores were smashed to bits with an axe in the hands of Miss Blanche Boise, a disciple of Mrs. Nation. The damage will amount to hundreds of dollars. Miss Boise achieved notoriety some months ago by horsewhipping Major Parker and took part in several raids with Mrs. Nation. She gives as her excuse for her hatred of saloons that liquor ruined a false brother. She was arrested.

Detroit, Mich.—The use of convict labor in the building of roads and highways was indorsed by the Convention of American Roadmakers and International Good Roads conference. John Burns, a local labor representative, spoke the only words against the use of convicts for this purpose. Among the delegates who advocated convict labor were State Engineer E. A. Bond, of New York; Martin Dodge, of Washington, D. C.; Frank D. Lyon, of New York, and Major Dabney, of Mississippi.

Portland, Me.—A peculiar phenomenon at West Buxton is causing much wonder. From a huge pile of rocks near Dow's corner vapor is seen constantly rising, the snow around being melted and the rocks dry and hot. Some think it is a miniature volcano, and are fearful lest it may prove another Mount Pelee.

New York—From the profits of the Methodist Book Concern a dividend was declared for superannuated preachers and for the widows and orphans of preachers. The amount so appropriated was \$75,000, as against \$50,000 last year. It will be distributed among the various conferences throughout the country.

London.—Advices received from Nigeria say that the British punitive expedition, commanded by Colonel Morland and consisting of 1,200 men belonging to the West African frontier force, occupied Kano, February 3, after sharp fighting. Only two British officers were wounded. The enemy lost heavily but the city was uninjured. The Emir of Kano fled to Sokoto.

London.—The Morgan forgeries have assumed much greater proportions than dreamed of when they first became public. It now appears that not only were two bills for £11,250 (\$56,250) each forged, but several others as well, so that the total loss of the group of business men, who discounted the bills amounts to more than £30,000 (\$150,000). As already cabled to the Herald, warrants have been issued against Count Maurice de Boudari, who is accused of having forged Mr. Morgan's name to the bills in question and having received the money.

Chicago.—John Alsbury, who was known throughout Central Illinois as the "man who ran against Lincoln for the Legislature," is dead at the County Poor Farm, at Bush, Illinois. Mr. Alsbury was eighty-three years old. When Abraham Lincoln was nominated for the Legislature in 1842 he was selected to run against him. During the latter years of his life he became a populist, and was the nominee of that party for Congress in 1896.
